Ben Coppage

Chicago, IL | (773) 512-4893 | benlevi.coppage@gmail.com | linkedin.com/in/bencoppage | github.com/bcoppage-IC

Summary

Consultative business professional with 15+ years in account management, credit analysis, and client-facing problem solving, now specializing in data-driven operations. Grew a logistics account from sporadic orders to $1M+ in annual spend. Completing a B.S.B.A. in Management Information Systems (May 2027) and building hands-on skills in SQL, Power BI, and Python through i.c.stars and IT Expert Systems.

Skills

Business: Consultative Sales | Account Management | Operational Problem Solving | Stakeholder Communication | Credit Analysis

Data & Tools: SQL (Microsoft) | Power BI | Python | Advanced Excel | Salesforce | Google Workspace

Compliance: Fair Debt Collection Practices Act (FDCPA) | Life/Health Insurance | VA IRRRL

Experience

i.c.stars | Technology & Leadership Intern | 09/2026 – Present

- Selected for a competitive technology and leadership program; completed intensive training in SQL (Microsoft), Power BI, data modeling, and Agile/Scrum.
- Collaborated on a cross-functional team to draft a Request for Proposal (RFP) response for a global medical supply company, proposing an operations problem-solving tool

Walmart | Electronics Associate | 10/2022 – 05/2025

- Resolved technical issues and configured devices for 30+ customers daily while balancing part-time work with full-time coursework.

United Bank | Loan Officer | 07/2021 – 01/2022

- Guided 50+ veterans through VA Interest Rate Reduction Refinance Loan (IRRRL) options, rate comparisons, and qualification requirements, translating complex lending rules into clear decisions.
- Evaluated borrower profiles and submitted audit-ready files to underwriting with a 95%+ approval rate.

HealthWorks Insurance (OneDigital) | Benefits Advisor | 06/2020 – 07/2021

- Sold Medicare plans to 1,800+ clients annually through structured needs analysis and plan comparisons, consistently exceeding quota.

Echo Global Logistics | Client Representative | 11/2015 – 11/2019

- Grew a plant distributor account from sporadic orders to $1M+ in annual spend by identifying expansion opportunities and improving service reliability.
- Designed a damage-reduction plan for a medical device manufacturer that eliminated losses and made the client a referral source.
- Managed biofuel shipments at 400%+ above industry-standard margins through vendor negotiation and route optimization.

Credit Acceptance | Credit Analyst | 02/2011 – 09/2013

- Promoted from Collector to Credit Analyst within three months based on performance and analytical aptitude.
- Processed 1,200+ credit applications per month while maintaining sub-1% error rate, contributing to a clean regulatory audit record.

Additional Experience

DISH Network | Installation Technician | 2006 – 2011

- Installed and troubleshot satellite systems in the field.

Newlyweds Foods | Accounts Receivable Collector | 2004 – 2006
